Choose the best answer below:

- 17) _____ An AIS G/E or Master Judge may be automatically disqualified for:
- a) Failing to vote for the Dykes Medal in a timely manner for 2 consecutive years.
 - b) Failing to submit a timely Activity Report for 2 consecutive years.
 - c) Failing to vote the Official Ballot in a timely manner for 2 consecutive years.
 - d) Failing to vote the Iris Popularity Poll in a timely manner for 2 consecutive years.
 - e) Either b or c above will result in automatic disqualification as a judge.
- 18) _____ In voting the ballot, and before voting for a particular iris, a judge should:
- a) Have reviewed at least 2 catalogs with photos of that iris
 - b) Have seen the real iris in its first-year bloom only
 - c) Have seen the iris growing and blooming in a garden over a two-year period
 - d) Have repeatedly visited online photos of the iris over the past two years
- 19) _____ In the case of a tie for the Dykes Medal,
- a) The irises in the tie receive duplicate Dykes Medals
 - b) No Dykes Medal is given since the judges couldn't make a clear decision.
 - c) The First Vice President casts the deciding vote in the case of a tie.
 - d) A special run-off election is held for those varieties tied to choose the Dykes
- 20) _____ When voting the Official Ballot, the competent and conscientious judge will:
- a) Vote for the maximum irises allowed for the HM in at least 4 classes. After all, how difficult can it be to know only 10% of the TB cultivars eligible on the ballot?
 - b) Have evaluated the entire iris clump, including the flower, stalks, foliage, and increases, not just based on the flower alone.
 - c) Pay particular attention to Hybridizer friends and vote for his or her irises, even if they have not observed them growing in the garden, since all of that hybridizer's irises are top-notch and deserve awards.
 - d) Vote in every category on the Ballot, even if it means hours of work poring over catalogs and googling Hybridizer websites to learn about all of those irises in groups that you have not observed growing and blooming.

Bonus Question, just because:

- 21) _____ The Ben R. Hager Cup
